THIS IS UNEVALUATED INFORMATION

1. In February 1954, an order was placed with the Konstruktionen- und Montage-Buero (Construction and Assembly Department) (KMB) for industrial equipment at 4 Breite Strasse, Berlin, for a coal conveyor installation for the Lignette plant in Konin, in addition to an order for a coaling plant to be erected at the Konin power station.
2. The designs for the two orders were made at Department IV of the KMB and were scheduled to be completed by late 1954.
3. In exchange for this assistance rendered, Poland will furnish the Klingenberg power plant near Berlin with Silesian coal until 31 December 1954.
